## Soaps and Detergent

**Soaps & Detergents** are one of the top selling & fast moving category of FMCG products. Looking into the demand of industry in the Soaps and Toiletries categories of products, **BTH** felt to enhance its existing Chemical test facility to be able to test/analyze samples of Laundry/Toilet/Detergent Soaps as well as Detergent powders. Since there are some prominent regional and national manufacturers in this category of FMCG products, the test facility was created by **BTH** to assist the industry as well other potential customers for analysis of Soaps and Detergents.
