## Adhesives & Paints

Based on the emerging requirements of Testing of various **Adhesives, Paints and Allied/Associated materials**, **BTH** added opened front in the area of Chemical testing. The added test facility covers variety of Adhesives, various Paints and varnishes.

Thus looking into the market demand for testing labs to analyze these products, **BTH** operationalized the test facility to serve its customers that are located in Delhi & NCR, India. This facility is serving the regular customers as per the IS requirements/specifications as well as their specific requirement as needed. The existing test facility also includes test requirements for various Adhesives & Adhesive tapes that go hand in hand of Paints, Varnishes and related products.
